

Spectacular Senses

How do animals use their senses?

R - Year 2

Learning Outcomes:

At the end of the session:

- ✓ **All pupils will** know what the five main senses are.
- ✓ **Most pupils will** start to understand how animals use their senses.
- ✓ **Some pupils will** be able to give specific examples of unique animal senses.

Session Outline:

The session starts with a brief introduction to the five main senses. The pupils then work in small groups rotating around five stations. At each station, pupils learn about a different animal sense and put their own sense to the test to compare.
